AI, Administrative & Business Operations Specialist
jplim2022@gmail.com | +639300916443 | Dasmariñas, Cavite, Philippines

EDUCATION

Bachelor of Science in Information Technology

Philippine Christian University - Dasmariñas
Expected Graduation: July 2027 | GWA 2.0

PROFESSIONAL SUMMARY

Virtual Assistant and Business Operations professional with 4 years of remote work experience in data management, inventory tracking, online research, and administrative operations. Skilled in maintaining accurate records, organising operational information, and using digital tools and AI-assisted workflows to support efficiency. Brings additional technical experience in software development, troubleshooting, and testing, with a strong focus on accuracy, organisation, and independent remote work.

WORK EXPERIENCE

Administrative & Operations Support

UbikAnalytic | Remote
July 2022 – September 2026

- Researched U.S.-based concerts, artists, venues, and schedules, delivering accurate event information to support timely ticket purchasing decisions.
- Executed concert ticket purchases and managed ticket inventory, maintaining accurate availability records and ensuring assigned orders were completed on time.
- Maintained high-volume artist, event, venue, date, and ticket data, improving record accuracy and making information easier to track and retrieve.
- Verified and organized ticket and event information, minimizing data discrepancies and supporting reliable day-to-day ticket operations.

RELEVANT PROJECTS & ACHIEVEMENTS

- AI-Assisted Development: Used AI tools to support code implementation, debugging, refactoring, and documentation while reviewing and testing generated outputs.
- Workflow & Process Improvement: Applied technical problem-solving skills to improve application features and streamline development tasks.
- Data Accuracy & Inventory Management: Maintained and verified concert ticket inventory, event details, and operational records to support accurate information tracking.
- Remote Operations & Task Management: Managed multiple administrative and technical responsibilities independently while maintaining organised records and meeting deadlines.
